

Is your LOCATE record up-to-date?

LOCATE: CHILD CARE

a free marketing resource for Maryland's Child Care Community

Thousands of parents use LOCATE: Child Care every year. Through LOCATE, parents receive referrals to and guidelines for selecting regulated high quality child care.

If you are a licensed child care program or a registered family child care provider, you can take advantage of this free method of advertising by keeping your LOCATE database record current.

Call the Provider Support Line to:

- Report vacancies,
- Report changes to your fees, telephone number, or email address,
- Request a database questionnaire, and
- Ask a question and your call will be returned.
